

# Flowform®

## round trapezoid table

MODEL #: SMORB56007L + SMORB56008L

SMORB56007L - GLIDES  
(nylon or felt tips)

SMORB56008L - CASTERS  
2" lockable casters

### OVERVIEW

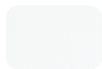

The Flowform® Round Trapezoid table features rounded corners in a trapezoid shape. Pair with our Flowform® Soft Seating and Storage to create individual zones for student engagement and learning.

### MATERIALS

The 25mm thick WORK SURFACE consists of a particle board core low pressure laminate. The edge of the work surface features an ABS plastic 2mm flat self edge which matches the work surface laminate. Rounded edges blend and form into our Flowform® storage units for a cohesive space.

The FRAME consists of a welded box frame, secured to the underside for added structural rigidity. The legs are bolted to the underside of the table top as well as the box frame. Legs are angled triangle tubing that adjust from 26"- 40" height in 1" increments.
