Streamlined Design, Superior Performance

As workers continue to spend more time on screens, organizations need simple, dependable support solutions to encourage individual wellbeing and productive screen usage. With a streamlined design, CF Series Evolution simplifies monitor arms and creates a clean aesthetic, without sacrificing performance. CF Series Evolution technology applies constant force to ensure seamless movement across the arm's complete range of motion, so workers can adjust screens to best meet their needs with the touch of a finger.

Simplified Support

CF Series Evolution offers screen supports for single monitor and dual monitors.

With a simple design, CF Series Evolution is full of features to improve and enhance the user experience.

- Sleek cable management system routes cables beneath the monitor arm
- Durable, quick-install VESA adapter reduces installation time
- Available in three finishes
- Flat-panel monitor easily rotates for portrait or landscape viewing
- Adjustable arm provides 10.4" of vertical range and up to 18" of horizontal range
- Arms support monitors up to 27" wide and 6.8kg per monitor

STATEMENT OF LINE

Single Arm

Dual Arm

Note: Arms are shown with C-clamp bracket.

Single-Arm Mounting Brackets

- Bracket options: C-clamp and FrameOne
- C-clamp mounts arm from above the desk for quick and easy setup
- C-clamp also allows arm to be grommet-mounted

Dual-Arm Mounting Brackets

- Bracket options: C-clamp and FrameOne
- C-clamp installs from the underside of the desk without the need for tools
- C-clamp also allows arms to be through-mounted

SUSTAINABILITY

At its heart, sustainability at Steelcase is about people. It's about creating and supporting the economic, environmental and social conditions that allow people and communities to reach their full potential.

Research and insights direct our path. It's not only about creating goods, it's about creating good. It's not only about creating value, it's about living our values. It's not just about reducing our footprint, it's about expanding our reach. It's about creating lasting and meaningful change to enable the long-term wellbeing of current and future generations.

Innovative products and solutions result. In the development of our products, we work to consider each stage of the life cycle: from materials extraction, production, transport, use and reuse, until the end of its life. We demonstrate performance through third-party verified certifications and voluntary product declarations.

Steelcase's sustainability promises, actions, and results are communicated in an annual Corporate Sustainability Report.
