Colubi *Lounge chair*

2000 — Design applied to furniture should not only add functionality and productivity to spaces, but also facilitate friendly and close relationships between employees. Colubi is an armchair that flees from all ornament, letting things happen. It is a truly veteran piece in the collection, since it was one of the first to be added to Viccarbe's catalogue. However, it has been able to maintain its modernity and contemporary style as the years have gone by. Success is not the result of chance but of causality.

Project on top: McCann Offices, Italy.
Interior Design: FASEMODUS + Studio Al Milan.
Pictures: Lea Anouchinsky.

“Design applied to furniture should not only add functionality and productivity to spaces, but also facilitate friendly and close relationships between employees.”

Colubi Lounge Chair & Work

Office — The Colubi Lounge Chair was born to materialize the perfect balance between functionality and creativity. Colubi works perfectly in any situation: having lunch in a restaurant, an extended meeting at the office or working from home.
