Piero Lissoni

Piero Lissoni has studied Architecture at the Politecnico di Milano and on graduating in 1985, he begins collaborating as designer and Art Director with furniture manufacturers Boffi, Living Divani and Porro.

In 1986 together with Nicoletta Canesi, Piero Lissoni opens the studio Lissoni Associati; in 1996 they create Graph.x to develop graphic projects.

The work of the studio embraces architecture, graphic and industrial design projects, ranging from furniture, accessories, kitchens, bathroom and lighting fixtures to corporate identity, advertising, catalogues and packaging. Interior design projects include hotels, showrooms, trade stands, private houses, shops and yachts.

Ears stool

"The Ears stool is available in two heights (bar and counter), and with three different bases: swivel, fixed or sled."

The family

Ears, the new family composed of chair and stool and devised by Piero Lissoni, joins the collection with the soul of a true icon. Its sinuous shapes keep intact a style capable of taking us back in time to the contemporary classics of the 70s.

Ears family composed of chairs and stools with bar and counter height in black and white structures.
