

SORREL

*Comfortable. Space-conscious. Dignified.
Seating solutions that really stack up.*

MULTI-PURPOSE SEATING

DESIGN INSPIRATION

Floor space within healthcare environments is at a premium and it's often difficult to provide enough seating without creating too much clutter. For comfortable, space conscious seating Nurture presents Sorrel™. With its light-scale design and stackability Sorrel is always at the ready to provide more seating. The complete line includes a stack chair, bariatric stack chair, easy-access hip height chair, café height chair and coordinating tables.

FEATURES AND BENEFITS

SPACE-CONSCIOUS Standard stacking models stack 6-high on the floor or 10-high on an optional dolly. Bariatric models stack 4-high on the floor and 6-high on a dolly.

STRENGTH Steel frame construction for years of reliable use.

DURABLE Steel frame provides a rigid structure and is available in silver or black.

ELEGANT Optional maple wood back is available in a range of finishes.

OPTIONS Stacking chair is available with or without arms and with optional front casters.

BARIATRIC STACKING CHAIR

The Sorrel bariatric stack chair provides aesthetic dignity and support for those who need it. Because of its light scale, it can easily be stacked and stored out of the way when not in use.

STACKING CHAIR

The Sorrel stack chair is available with or without arms and with optional front casters. It provides an elegant alternative to the traditional “stack chair.”

EASY-ACCESS HIP HEIGHT CHAIR

The Sorrel easy-access hip height chair allows for an easy entrance and exit for those who have difficulty getting in and out of standard height chairs.

TABLES

Designed to complement Sorrel seating, these freestanding tables feature thermo-formed tops with unique notched corners, allowing tables to nest closely with the seating. Steel legs are available in silver or black.

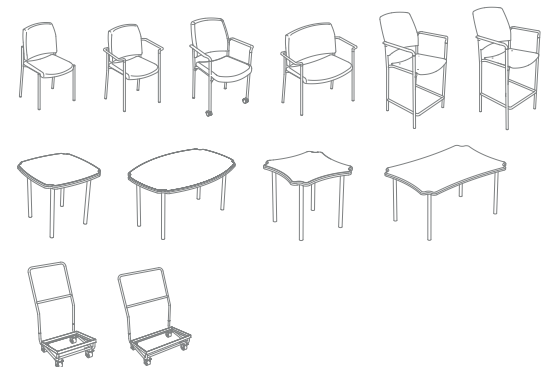

ADDITIONAL OPTIONS

- Moisture barrier available on seat.
- Contrasting fabrics on seat and back.
