Brody Desk

Steelcase

Designed for privacy and productivity

Brody Desk is a high-performing private workstation designed specifically

for the in-between spaces in corporate and education environments. As dedicated spaces for resident workers in open-plan offices, touchdown spaces outside in-demand project rooms or study carrels in busy student commons areas, Brody Desks provide people with moments of focus in high-traffic settings.

DESIGN DETAILS

Brody Desk offers privacy, power and lighting options that support the needs of users during moments of focus or longer working sessions. It is available with or without an extension and is offered in the same beautiful finishes as the Brody Work Lounge.

IM#: 18-0105812

Worksurfaces

An ample 241"D x 39"W worksurface is available in laminate or wood veneer finishes.

Screens

Screens reduce visual distractions and enhance personal privacy and comfort.

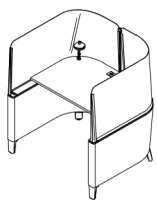

Lighting

The optional dash® mini LED task light delivers efficient and adjustable lighting where you need it most.

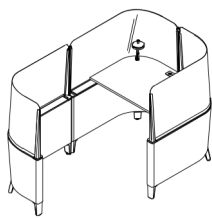

Power

Integrated desktop power is easily accessible and includes an optional USB outlet with one USB-C port and one USB-A port. A power receptacle below the worksurface supports the use of desktop lighting, and integrated hooks help manage cables and keep cords out of the way.

STATEMENT OF LINE

Brody Desk
• 36"D x 43"W x 48 1"H

Brody Desk with Extension
• 72"D x 43"W x 48 1"H
