DESIGN DETAILS

The square leg on Ottima Portico offers a classic design aesthetic that pairs well with other residential or commercial furniture. A range of accent colors allow you to customize and match the desk or bench to any space.

HEIGHT ADJUSTMENT

Ottima Portico is available at a standard height of 735mm, but an easy-to-install screw allows for an 80mm height adjustment, bringing the height of the desk or bench to 815mm.

PRIVACY

Dial-up privacy with specific screens designed for the bench or a modesty panel in PET or steel finishes on the desk. A C-clamp connects Divisio or Partito screens from the Steelcase portfolio to the desk for an easy option.
