

Cloud series

Designed by Yonoh Creative Studio, Spain

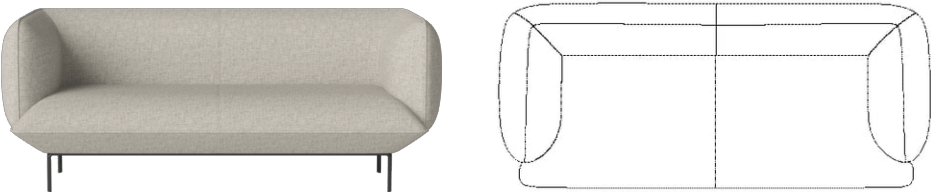

Simplicity is the keyword in this sofa series designed by Yonoh Creative Estudio. The simple, robust and floating design gives Cloud a minimalistic and contrasting expression and creates a comfortable starting point for sitting back and putting your everyday life on hold. Cloud is built to last with an interior made of FSC®-certified wood. Also available as an armchair and pouf. Uniquely tailored to your specific needs and wishes.

Meet the designer

We always say that we design for people, and that's what defines us as designers. We try to do things simple and functional without forgetting the freshness. We are inspired by our everyday surroundings. Even if we are at home or we travel around the world we catch the essence of each place and give it to our designs. The perfect design is that one that makes an object simple and easy. The best design is defined by the little details.
