

Individual and collaborative spaces

Fusion Bench encourages and facilitates collaborative working whilst at the same time enabling people to stay focused on their work. Individually or shared Storage solutions integrated into the structure help optimise space. Power and data is easily and quickly accessible in the desk. Thanks to its contemporary shape, its simplicity and flexibility, Fusion Bench makes it easy to build larger configurations in team or individual spaces without compromising valuable square metres.

Fusion Bench for 2 with Solo Storage / Cable tray / Top access / Partito rail / Worktools 1+1 / 1+1 LED Standard lamp / Reply Air task chair.

Love how you work.®
