## QiVi

### Conference Seating

#### Refined Versatility

People don't just sit in meetings. They interact, brainstorm and create. QiVi, an intelligently designed collaborative office chair, encourages movement, supports natural posture change and provides comfort for extended periods of time — a classic chair for a variety of settings.

#### Design Details

QiVi is classic in both form and movements. The pivoting backrest and gliding seat move with the body supporting posture change and offering immediate comfort so people can stay engaged while meeting with others. With one adjustment for seat height and two base options – QiVi brings a refined aesthetic to any space.
