

A 4x4 grid of Steelcase logos. Each logo consists of the word "Steelcase" in a bold, sans-serif font, followed by a registered trademark symbol (®). The logos are arranged in a grid where each logo is preceded by a plus sign (+) in the same row and column. The plus signs are positioned to the left of the logos, creating a pattern of alternating plus signs and logos. The logos are in a dark gray color, and the plus signs are in a lighter gray color. The grid is set against a white background.
